Newly built to sit sympathetically with neighbouring homes, the Goldstone Crescent apartment buildings bear decorative brickwork, quoin stones and gabled roofs, set back behind border walls and a neat brick drive. Looking out over the green and leafy environs of Hove Park, their location is prestigious and ideal for anyone looking to live the quintessential Hove lifestyle, close to the countryside, the city centre and the coast.

This generous two-bedroom, two-bathroom apartment sits elevated on the second floor of the northerly building, accessible by lift, benefitting from a glorious west facing balcony looking out over the treetops and lush green lawns of Hove Park towards the coast. Internally, the finish is immaculate and stylish with new oak parquet flooring in the main reception room, soft carpets in both bedrooms and streamlined cabinetry in both the kitchen and beautifully tiled bathrooms.

Open plan and filled with natural light, the living room and kitchen are the ideal size for entertaining in style or simply relaxing after a long working day or week. Sliding doors open to the balcony overlooking the park, offering the ideal spot for enjoying drinks or dinner alfresco as the sun sets over the trees. It is a lovely extension of the home with views that change with the seasons, forming a glorious backdrop to the room.

Within the contemporary kitchen, the appliances are integrated to include a wine chiller, dishwasher, washing machine, fridge freezer, fan oven and an induction hob. Slimline stone worktops also form a peninsula island breakfast bar, all softly lit by recessed LED spots.

Both bedrooms are double, but the principal room enjoys sliding doors opening to a Juliet balcony overlooking the garden to the east, allowing the morning sunshine and birdsong to gently wake you during the spring and summer. This room also boasts a chic marble brick tiled en suite shower room, while bedroom two has easy access to the main bathroom which has a rainfall shower over the bath. Bedroom two would also be ideal as a dressing room due to a

wall of built-in clothes and shoe storage, or as a guest bedroom or home office for those required to work from home on a daily or weekly basis.
