INTRODUCING

Goldstone Street, BN3

6 Bedroom | 1 Reception Room | 2 Bathroom | 1043.77 sq ft |

With six furnished bedrooms, two modern bathrooms and a fantastic location in Central Hove, this student house is the ideal investment in the city, producing a fantastic yield of between 8.6% and 9% depending on final purchase price. Student tenants have already been secured from August 2025 for 12 months, guaranteeing an immediate income.

The house is semi-detached on Goldstone Street, with generous rooms spread over two floors, allowing space for socialising, cooking and for study in each of the bedrooms. The kitchen and bathrooms have been modernised to include appliances and basic furnishings such as sofas, beds, desks and clothes storage can be found in the principal rooms.

While it is ready to move into, there remains scope for future renovations and further modernisations which would add value moving forward.

This is the ideal location for students looking to live and study in the city. There are several bus routes to the universities and arts colleges stopping nearby, or Hove Station is less than five-minutes on foot taking students into the centre of Brighton or linking to the stations at Falmer and Moulsecoomb. The beach, Hove Lawns and both the cultural and social centres of Brighton and Hove are also within easy reach and there is every amenity on the doorstep with eateries, takeaways and supermarkets to hand.
